# Kevin's Sports Pub & Restaurant - A Short History

Kevin's Co-owners Chef Kevin and Lindy Lynch

The brick building that is now home to Kevin's restaurant was built by H.C. Simmons in 1903 and was originally the North Bennington Post Office.

This historic location has been run as a restaurant and bar nearly continuously since the 1920's. Kevin and Lindy Lynch have been the proud owners since 1995. This popular eating establishment has flourished with patrons from second home owners, visitors, and many faithful locals. Known as the place "where the locals go" for great food, great service and great prices, the staff makes everyone feel like family. Kevin's forty plus years of experience preparing wholesome, fresh, homemade food epitomizes the "slow food" movement. He uses only the best quality food at the most affordable prices. The food is always delicious and reliable. Known as not only a fine chef but a teacher as well, Kevin has wowed the public with his creative and satisfying menu. He regularly helps other restaurants and trains up-and-coming cooks and future restaurateurs. Originally from Long Island, Kevin came to Vermont to ski and stayed to become one of the backbone businesses in the Bennington Area. The fresh, homemade food plus the warm and inviting atmosphere create the perfect combination that keep people coming back year after year. Kevin and Lindy care about their local community too. They play an active role in the Bennington Chamber, Norshaft Lions and donate generously to the community.

Many members of Kevin's staff have been there from the very beginning. They are all loyal, friendly people who welcome the opportunity to serve you, whether you are a tourist, local or friend. When you come to Kevin's, you'll have a wonderful time, dine on fabulous food and meet friends both old and new. You will always leave with a smile on your face!
